

# Intro

## Song of the week!

Learn, Grow, Eat & Go!  
EARLY CHILDHOOD  
week 1

### Parts of the Plant

*(Tune: Addams Family Song)*

Parts of the plant (clap, clap)

Parts of the plant (clap, clap)

Parts of the plant, parts of the plant, parts of the plant (clap, clap)

There's roots (touch your toes)

and stems (slide your hands from your legs to your chest)

and leaves (extend arms and open hands)

Flowers, (spread fingers and hold them high)

fruits (form a ball with your hands)

and seeds. (wiggle your fingers)

You put them all together,

you have the parts of the plant.

*Repeat three times with greater energy each time!*

Sing the song at least once a day. It can be at the beginning, middle or end of a lesson. It may be a good movement activity if the students are getting restless and having a hard time paying attention. Sing the song with the students and do the motions to encourage participation.
