

# Stems & Leaves Song of the week!

Learn, Grow, Eat & Go!  
EARLY CHILDHOOD  
week 3

## The Stem Shuffle

(Tune: Hokey Pokey)

Stems grow up, stems grow out  
Stems go around, twisting all about  
You do the stem shuffle  
Going up and down, that's what it's all about!

### *Chorus*

Let's do the STEM SHUFFLE  
Let's do the STEM SHUFFLE  
Let's do the STEM SHUFFLE  
That's what it's all about!

Stems move water, stems move food  
Some you can eat, they taste good  
You do the stem shuffle  
Going up and down, that's what it's all about

### *Chorus*

Let's do the STEM SHUFFLE  
Let's do the STEM SHUFFLE  
Let's do the STEM SHUFFLE  
That's what it's all about!

Sing the song at least once a day. It can be at the beginning, middle or end of a lesson. Our recommendation is to start the first lesson of the day with this song, but it can be incorporated at any time. It may be a good movement activity if the students are getting restless and having a hard time paying attention. Sing the song with the students and do the motions to encourage participation.
