

Earth Day Activities

Earth Day is April 22nd and it is quickly approaching! We want to challenge you to do these activities the 10 days leading up to Earth Day! Challenge a family member or a friend to take part in this fun activity to give back to our beautiful planet.

Place a check mark in the box as you complete the activity.

- Turn off the faucet when brushing your teeth
- Recycle
- Plant plants native to your area
- Plant a tree
- Ditch those bottled waters
- Go paperless with notifications and bills when possible
- Go outside
- Water plants at optimal time of day
- Start your own backyard garden
