

# LEARN

## DAY one

**Lesson Flower Lab** Dissect fresh flowers and sort flowers, stems, and leaves.

**GROW Activity Growing Vegetable Transplants** Plant transplants in the garden.

**Daily Literature Connection and Song of the Week**

**Journal Prompt** Draw a picture of a flower growing on a plant.

## DAY two

**Lesson Making Sunflower Seed Heads** Insert seeds inside of a model sunflower head made with construction paper and green playdough.

**Activity Chalk Flowers** Use chalk to draw pictures of flowers in different shapes, sizes, and colors.

**Daily Literature Connection and Song of the Week**

**Journal Prompt** Draw a picture of yourself next to a big, tall sunflower.

## DAY three

**Lesson Dusty Bees & Honey Please!** Use cotton balls to pollinate chalk flowers and then taste honey.

**GO Activity Blue Flower, Yellow Flower, BUZZ!** Play a game running between different colored blooms pretending to pollinate flowers.

**Daily Literature Connection and Song of the Week**

**Journal Prompt** Draw a picture of a honey bee on a flower.

## DAY four

**Lesson Fruit Investigation** Explore and classify different fruits using all five senses.

**Activity Orange Juicer** Make and taste fresh orange juice.

**Daily Literature Connection and Song of the Week**

**Journal Prompt** Draw a picture of a fruit that you can eat.

## DAY five

**Lesson Floating Fruit** Experiment to determine if peeled and unpeeled oranges will sink or float.

**EAT Activity Garden Kitchen** Make and enjoy a yummy, nutritious, and kid-tested recipe!

**Daily Literature Connection and Song of the Week**

**Journal Prompt** Draw a picture of the food we made today.

**GROW Gardening Resources** Growing Vegetable Transplants (Day 1)

**EAT Food Exposures** Fruit Investigation (Day 4), Orange Juicer (Day 4), and Garden Kitchen Recipe (Day 5)

**GO Brain and Body Boosting Movement** Blue Flower, Yellow Flower, BUZZ! (Day 3)
