

# Week 4 Supplies

## DAY one

### Lesson Flower Lab

- three paper plates
- a permanent marker
- fresh flowers
- scissors
- magnifying glasses

### GROW Activity Growing Vegetable Transplants

- a bag of all-purpose potting soil
- a watering can filled with water
- a large pot or container with drainage holes in the bottom
- a trash bag
- a small vegetable or fruit transplant

## DAY two

### Lesson Making Sunflower Seed Heads

- yellow construction paper
- green playdough
- roasted sunflower seeds
- small plastic plates
- scissors for teacher use

### Activity Chalk Flowers

- dark construction paper (one sheet per student)
- colored chalk

## DAY three

### Lesson Dusty Bees & Honey Please!

- Chalk Flower activity art pages
- cotton balls
- tape
- honey
- plastic spoons (one per student)
- scissors for teacher use

**Cost Saving Tip:** Some fast food or other restaurants make packets of honey available with their other condiments and are often willing to donate a set of honey packets to a class.

### GO Activity Blue Flower, Yellow Flower, BUZZ!

- four sheets of poster board (red, green, yellow, and blue)
- scissors

## DAY four

### Lesson Fruit Investigation

- one fruit with an edible skin or peel and one fruit with a non-edible peel or skin
- a knife for teacher use
- a cutting board
- muffin cups or plates

### Activity Orange Juicer

- a handheld juicer or small electric juicer
- small tasting cups
- a measuring cup
- a knife for teacher use
- oranges

## DAY five

### Lesson Floating Fruit

- an orange
- a tall, clear plastic cylinder (such as a cereal container) or a large, clear bowl with water (3/4 full)

### EAT Activity Garden Kitchen

- Supplies vary based on recipe selected.
