Master Gardener Scholarship: Principal/Teacher School Garden Commitment Form*

(for teachers applying for a $85 scholarship to the Virtual 2027 JMG National Leader Training conference.)

*Compete/sign the form and your return to your local Master Gardener Association to apply for a conference scholarship.

***The Virtual 2027 Junior Master Gardener National LeaderTraining* will be an engaging, FUN, impactful AND hands-on school garden garden conference that you won't want to miss!**

- It will be a GREAT opportunity for teachers who are interested in starting or strengthening a school garden project at their campuses.
- If your Master Gardener Association offers teacher scholarships in your county, you can apply by returning this commitment form to your local MG Association office.

TEACHER SELECTION DETAILS:

- Teachers selected to receive a $85 conference registration scholarship will be notified by email on/before Feb.5, 2027.
- Your local Master Gardener association contact will complete & pay your conference registration on your behalf. Teachers will then receive a second conference REGISTRATION CONFIRMATION email with your virtual conference access link, password and other conference details.

SCHOOL GARDEN COMMITMENT DETAILS:

1. Only teachers submitting this completed/signed *Principal/Teacher School Garden Commitment Form* will be considered for this conference registration scholarship.
2. **Teachers selected to receive conference registration scholarship agree to:**
   a. ***Attend conference live or view general and concurrent session recordings afterwards.*** Session recordings are available for all attendees for 4 months following the conference.
   b. ***Implement some type of new garden project (or improve an existing one) at their campuses at some point over the next 12 months.*** This could be any size of in-ground, raised bed, or container gardens. More details of different garden types & JMG curriculum supporting them will be shared throughout the conference.
   c. **Submit at least two brief emails back to your local MG association to provide updates.** Send the first email following the conference to share your new school garden plans for the year. A second email should share 1-2 classes photos and a few details during garden project implementation. *(Please only submit photos that include students who you already have photo releases for.)*
